

Windmill Associates

PO Box # 48
Cazenovia, NY 13035

10/30/02

Dear Tenants,

This short note is to inform you of a change in trash and recyclable collections.

The current trash hauler, WSI Inc, of Clinton, NY has terminated pickup of residential trash in the Cazenovia area effective 10/31/02.

I have contracted with Blue Ribbon Sanitation of Chittenango as a replacement trash hauler.

Blue Ribbon will **begin** pickup this coming **Monday**, November 4, 2002.

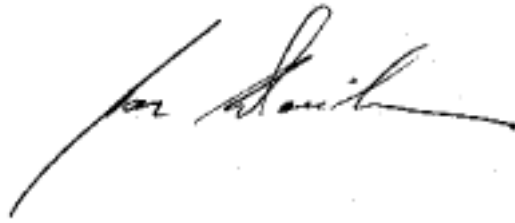

Blue Ribbon will pickup trash and recyclables every Monday (very early in the AM).

There will be only one (1) pick up per week : Early Monday Morning

If you have a need to dispose of any items that is not ordinary trash (i.e. furniture, tires, tv's) you will need to contact Blue Ribbon directly by phone to arrange for them to take your extra trash. They will quote you a price and you will be responsible for any cost of additional pickup. They may be reached at 687-3445.

This letter will be archived on Windmillcourts.com web site under newsletters.

If you have any questions please don't hesitate to call.
